

NASA SEWP VI Ordering Guide

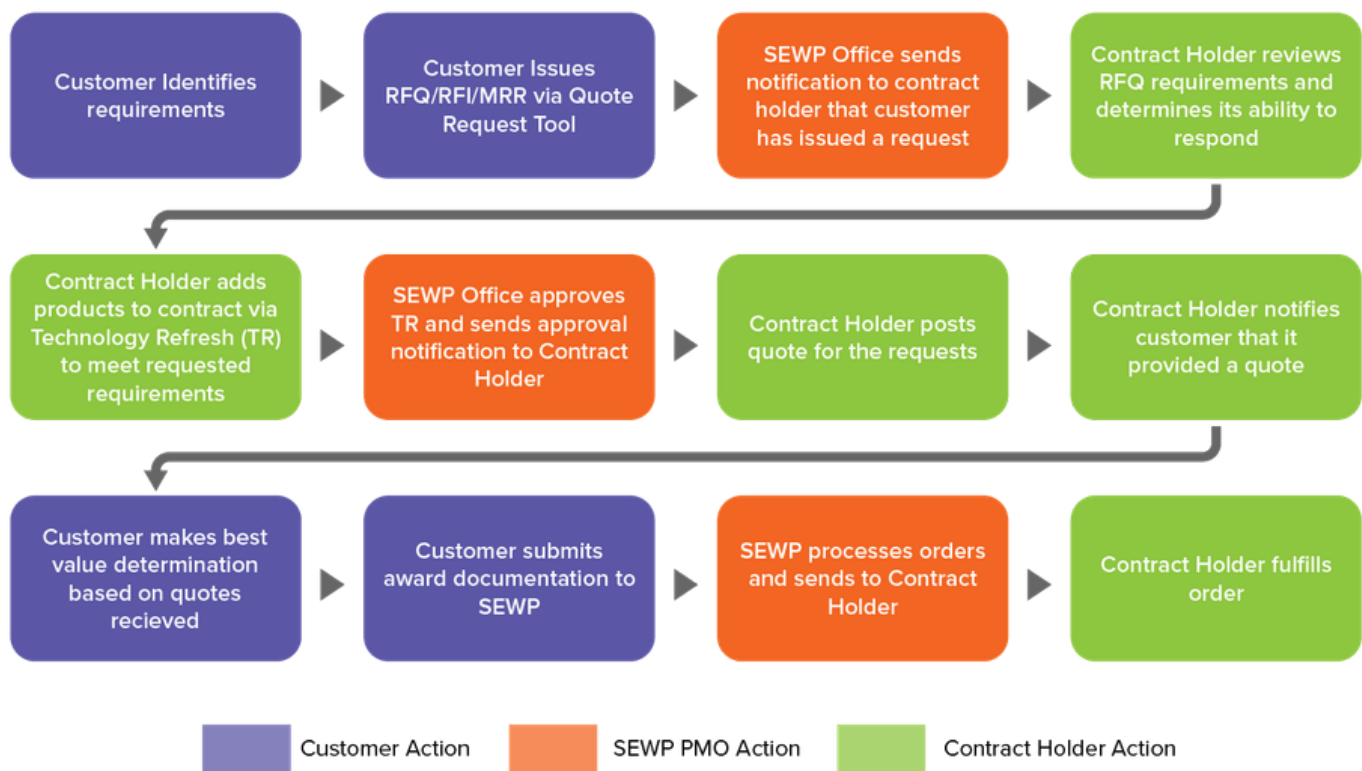

1. Program Information Support

1.1 Obtaining a Quote

SEWP Order Process

1. Customer or Contract Holder submits orders to SEWP Program via email (sewporders@sewp.nasa.gov) or via fax 301-286-0317.
2. SEWP PMO enters the order into the system and assigns the order a case number.
3. If an RFQ number is provided with the order, the CLIN list provided by the Contract Holder during quoting is re-verified against the order total and assigned a SEWP Control Number (SCN).
4. After verification, the Contract Holder is notified that SEWP PMO has entered the order.
5. The Contract Holder acknowledges receipt of the order within one (1) business day.
